ROAD REPORT

TO: Adelaide Metcalfe Council
FROM: Road Supervisor
DATE: August 10, 2015

1) The bridge deck repair on Bridge No. 13 on Walkers Drive is underway and should be completed by August 7, 2015.

2) The road base gravel for Walkers Drive will be applied after the bridge deck repair has been completed.

3) The road maintenance gravel contract and the dust control application have been completed.

4) I met with two representatives from Union Gas on Friday, July 31 with respect to the installation of Cathodic protection for their gas line on Cuddy Drive and on Langan Drive. The work will consist of a 140 m length of buried wire which will be directional drilled between property lines and 1.5 meters off property line.

**Recommendation**

That Council’s consideration and approval be granted to Union Gas for the installation of buried wire on Cuddy Drive and Langan Drive for Cathodic protection on their gas line.
